kanopy

Getting Started with Kanopy

You will need your library card number and pin

Setup

1. On the John C. Hart Memorial Library home page (https://www.yorktownlibrary.org) select **eLibrary** then **E-books, Audiobooks, Music & Video**.
2. Click on **Kanopy** under eBooks, Audiobooks and Video.
3. In the top right hand corner of the page select **Sign Up** and follow the prompts.
4. After you sign up for an account it will ask you to verify your email address and add your library card.

Collection

Kanopy includes thousands of movies, documentaries, indie and foreign films, classic, and blockbusters.

Use the "Browse Subjects" dropdown menu at the top of the website to find a specific topic.

Type in a film title, filmmaker, person, country, or keyword into the search box.

Viewing

Once you find a film you scroll over the image and select "Watch". You will be brought to that film's details page. From there you can click on the play button to begin watching

You can use Kanopy on your desktop or mobile device, you can also access your account through your Roku to stream on your television. Kanopy is a streaming service so you will need internet access to watch films.

You can Watch 10 Films Per Month and you have 3 days to watch each film.
Credits reset at the first of each month
