

## Getting Started with Kanopy

### Setup

1. On the John C. Hart Memorial Library home page (<https://www.yorktownlibrary.org>), select eLibrary then E-books, Audiobooks, Music & Video.
2. Click on Kanopy under eBooks, Audiobooks and Video.
3. On the left side of the page press the orange **Get Started** button
4. Click on **Find Your Library** on the left side
5. Search "John C. Hart Memorial Library", and click on it when it appears so that **Select this library** shows up
6. Enter your **Library card number** and **PIN number** then click continue
7. Fill out the fields it asks you for to create your account, then click **Sign up**

### Collection

- Kanopy includes thousands of movies, documentaries, indie and foreign films, classic, and blockbusters.
- Use the "Browse Subjects" dropdown menu at the top of the website to find a specific topic.
- Type in a film title, filmmaker, person, country, or keyword into the search box.

### Viewing

- Once you find a film, scroll over the image and select "Watch". You will be brought to that film's details page. From there you can click on the play button to begin watching
- You can use Kanopy on your desktop or mobile device, you can also access your account through your Roku or Apple TV to stream on your television.
- You are given 30 tickets Per Month. Each movie or show will tell you how many tickets are required to watch and how long you have to watch each film. Tickets reset at the first of each month
